Ventura County Job and Career Center (One-Stop Center)

Responsible for two “one-stop” multi-agency services centers through a partnership between the County of Ventura and the Ventura County Community College District. Served over 1,000 clients/month with over 60 employees and a budget of more than \$2M. Noted nationally as a model program, building on community college strengths. Worked to coordinate college educational and student services for students and the community.
